

# FUNCTIONAL NEUROLOGICAL DISORDER

Hi, my name is \_\_\_\_\_,

I have been diagnosed with Functional Neurological Disorder (FND), which is a condition in which messages between my brain and body are not being sent or received correctly. It is a real, disabling and distressing condition. FND can sometimes mask and/or coexist with other serious medical events or conditions.

Please see the information below to understand how my condition may present.

Please treat me with respect, patience and kindness.
