DISCLAIMER: Listed providers have self-identified that they or their service is willing to see people with FND. Please do your own research and check your fit with a provider before engaging with any medical / health professional. The list is not meant to be a thorough guide or endorsement of the medical provider as we do not have resources to track or provide individual feedback on the list. This is not a complete list of all providers who see people with FND, just those who have registered with the organization.
